# ‘Dare to Lead’

An accredited program for Frontline Leaders

Increase your success at work through  
developing your effectiveness as a leader

Leadership is about taking action, realising  
opportunities, solving problems and making decisions.  
This program will give you the skills and confidence to  
take actions

“This program is excellent at defining the issues relevant to today’s managers and providing at least one structured approach to tackling the issue. It will change the way you approach the challenges of your position.”

# Dare to Lead

If you are currently or would like to be a Team Leader, Supervisor, or Frontline Manager, this qualification will give you the skills to success in a leadership role.

## Gain a range of critical leadership skills

Learn business planning, develop powerful networks and relationships, become an influential and effective leader and improve performance and results in your team.

## Learn in an engaging activity based environment

Take part in experiential learning activities and relevant exercises. Take away full colour reference materials with tools and templates for use in the workplace.

## Deliver real returns to your business

Undertake a Workplace Improvement Initiative designed to deliver significant business benefit, where you will apply what you've learned in a practical way.

## Program Details

Participants will enrol in a tailored program for Leaders (Certificate IV in Frontline Management) and will participate in 10 x 1-day face-to-face and action learning units that will deliver real results on the job. The fee for the program is \$4800. Participants may be eligible for up to \$4000 in government funding for this program.

The course will include face-to-face sessions incorporating the following areas:

## Get personalised Coaching attention

Meet the experienced facilitators at 3 points through the program for individual coaching to support your learning progress on the job.

## Benefit from practical learning tools

Learn about yourself with Personal Profiling tools and an individual Learning Plan. Capture key ideas and actions with a Learning Journal and Back-to-Work Action Planner.

**“It is an extremely good course for self motivation and confidence building and teaching good business skills that relate back to my position.”**
